

Certified Properties Program Greater Houston (10 County Area), Texas

CobbFendley is verifying that the industrial, office, and land properties submitted into the **Greater Houston Partnership's Certified Property Program** meet minimum program standards. CobbFendley reviews all applicable documents to ensure that the necessary public and private utilities are available and that land submitted into the program is developable, so that the properties can be effectively marketed by the Greater Houston Partnership to prospects seeking to locate in the Greater Houston metropolitan area.

Public-Private Partnerships. CobbFendley staff members create finance plans for projects using traditional public financing methods, intergovernmental partnerships and Public-Private Partnerships (P3s).
